1. 2  
 information on industrial, security, and administrative installations in Nitra (N 48-19, E 18-05). The report includes a map section showing the location of these installations. 25X1
  2. Among other installations, the report describes underground fuel tanks, a new hospital, and a planned new armaments works. The new armaments works are to be housed in an asbestos and cement plant, formerly called Perenit, on the western bank of the Nitra River. The asbestos and cement plant was to be moved at the end of 1955 or beginning of 1956 to new buildings in the village of Kajsa, now called Mlynarovec.<sup>1</sup> 25X1
- 25X1
- Comments: According to the NIS Gazetteer, Kajsa (N 48-20, E 18-03) is now called Luzianky. However, the village of Mlynarovec is also listed with the same coordinates.

7. District National Committee, on the main square, opposite the Central National Committee, on the corner of the square, south of the church, in a one-storeyed corner building, about 70 x 30 meters. (Point 4.)
8. Regional National Committee, in the northern part of the town in a long-detached 3-storeyed building, 80 x 30 meters. (Point 5.)
9. State Security (probably for both the town and the region around it), south of point 5, and parallel with it. The StB building is the westernmost one of a group of buildings, and is 30 x 18 meters. (Point 6.)
10. VB (Public Security) District HQ, on Parovska Street, south of point 5 and 6, in a 2-storeyed corner building, opposite building /point 6/ in a 2-storeyed corner building, opposite point 6 and on the south side of the Farmers' Warehousing Co-operative (RSD = Rolnicke skladistne druzstvo). (Point 7.)
11. Local, District and Regional Military Administration and Svazarm Offices, in a 3-storeyed building on the west side of the main street opposite the Nitra restaurant (formerly Kralik). The building extends about 80 m along the street and is about 60 meters wide. It is a corner building. (Point 8.)
12. District and Regional People's Court, in the western part of the town, on the street leading from the sugar refinery to the StB and VB, Parovska street. The courtroom etc. are in what is known as the Municipal Palace, a 4-storeyed building about 120 meters long and 50 meters wide. (Point 9.)
13. Regional and District Prison, on the south side of point 9, forming the corner of the main street and two side streets, in a 2-storeyed building, 25 x 20 meters. (Point 10.)
14. Building, intended for a new regional prison, begun in 1954, and on which most of the workers were prisoners. The building is on the eastern edge of the town, behind the management of the Czechoslovak State Mills, on the street branching off east opposite the military administration. It was finished in 1955 and has about 5 storeys, measuring 200 x 60 meters, with a central courtyard. (Point 11.)
